This year NER's charity events will once again benefit Angel Flight, NE -- an organization of private pilots who provide transportation to medical facilities for those in outlying areas of the Northeast US. We've planned the following activities to take place during our July LCMT event.

In case your family and friends missed out on the opportunity last year, or if they want a repeat performance, we will offer opportunities for a Taste of the Track during the Green/Yellow and Yellow/Blue run group sessions on the first two days (and possibly on the morning of the final day). Unfortunately, we are not planning to have Parade Laps during this event because the lunch period has been reduced to 15 minutes on the first two days and 30 minutes on the final day. That 30 minute lunch period on Day 3 will be crowded because cars will be staging early for an Enduro which begins immediately after lunch. I know this is a disappointment for many of you since so many families accompany DE participants at the LCMT event.

If you don't know what taste of the Track is, here's a bit more detail. This opportunity is great for introducing your family and friends to what you are doing out there on the track -- and, who knows, they may become hooked on the sport, just like you are.

Taste of the Track: If Touring Laps aren't exciting enough for you, then maybe a Taste of the Track is what you want. Individuals over 18 years of age can be a passenger in an instructor's car during one of the regular Green/Yellow or Yellow/Blue run groups on the first two days of the event (and possibly on the morning of Day 3). To take advantage of this opportunity, the individual must have completed an application form, signed the NER waiver, have a wristband, be wearing an approved helmet (Snell 2000 or later), a long-sleeved shirt, long pants, and closed-toed shoes. A donation of \$40 is requested and, of course, more is appreciated. Because the White and Black run groups are filled to the 30-car limit, we cannot have Taste of the Track during these run groups.

How to sign up: Sign up sheets will be available at in the Control Tower on the first two days of the event. The individuals participating must appear in person to complete the application form, sign the waiver and get a wristband. Have fun!
